

Chester County Council BSA Merit Badge Counselor List

To: Scoutmaster, Troop 13

Please read this important message:

Scoutmasters, only assign MBCs whose names appear on this list to your Scouts.

The attached packet lists all your troop's registered unit-only merit badge counselors and additional registered council-wide merit badge counselors. The list includes all approved applications submitted by noon on Thursday, February 6, 2020.

Those troops using Scoutbook have an electronic list of all their merit badge counselors in their Scoutbook account. If you are not yet using Scoutbook, go to Scoutbook.com for more information. Scoutbook is BSA's unit record keeping system that ties directly into the BSA systems. This has replaced Internet Advancement and paper advancement reports for reporting advancements. It also tracks advancement requirement-by-requirement as well as other activities like other programs you may have been using that are not integrated into BSA systems.

When assigning merit badge counselors to your Scouts, you must only use the registered counselors who appear on this list. Merit badge blue cards signed by anyone not registered as a merit badge counselor are invalid and the Scout may not be credited with completion of that merit badge.

Updated lists are typically distributed at Roundtables every October, February, and May. We try to review merit badge applications submitted between distribution months at least monthly and notify the applicant within approximately one week of that review whether they have been approved or not.

The current Merit Badge Counselor application form and instructions are available from www.cccbsa.org, Resources, Forms, For Parents and Leaders, Merit Badge Counselor Application. It should be filled out electronically and emailed to the registrar. Please use only this form and dispose of any stock of old forms you may have. **Please do not print the application and stockpile them because they can go out of date due to changes in BSA Safe Scouting rules. Please just give prospective merit badge counselors the link to the form and let them fill it out electronically.**

Advancement Committee, Chester County Council, BSA
