**Old Business:** none

**Advancements:** Vincent submitted paperwork for his Eagle rank.

**Treasurer:** n/a

**Secretary Report:** Candace has shared information about transferring secretarial duties to Lura.

**Eagle:** n/a

**Jeff Whitfield:** Still looking for someone to do the graphics for the trailer.

**Don Hendriks:** Had second tent repair meeting - tents now in pretty good shape but a few still need to be cleaned. Held holiday party at Beverly Park during winter break - low turnout but everyone had fun. Patrol corners were slated for last week's troop meeting but fell through - may need better planning going forward. Potential new scout showed up and joined us for last week's meeting - Will R.

Troop will be meeting outside again at Beverly Park until February 8. PLC's upcoming plans for troop meetings:

1/11 - Aiden C will bring a backpack for cold weather - packing, layering, etc.

1/18 - Sledding; invite webelos

1/25 - Winter first aid

2/1 - Hiking on the new trails at Cummington Park that were part of last month's eagle project & capture the flag; invite webelos

Skiing at Holly - we will bring our own food & will collect money for food only. Each scout will pay their rental & ski lift at the ski lodge. Scouts can use the generic permission form.

**SPL:** Have had scouts ranking up at almost every meeting. Will R. took home a youth application last week.

**Megan:** March camping trip update: committee voted and agreed to camp at Indian Lake State Park in Ohio & go to either the Ohio Caverns or the Armstrong Air & Space Museum, or both. Need a new idea for the troop's camping trip in June.

**New:** Justin Wilson is officially retiring in August - need to start looking for a replacement.

High Adventure 2023 - trying to sign up for Sea Base coral reef sailing (limit of 8 including adults). Probably over \$1000/scout with additional travel costs. Need to work on fundraising.
