April - TBD; we need some ideas

May - Wright Patterson

June - kayaking

Scoutmaster

Don is working on the registration and budget for summer camp (last year was \$420/scout - this year may be \$450?).

February campout - the scouts joined another troop's practical for emergency preparedness, they completed a 3 & 5 mile hike, 3 new scouts completed their fireman chits. The patrol boxes weren't well-stocked & need to be looked over. The troop packing list that the quartermaster needs to fill out before each campout was reinstated. Mr. Perry was on the campout (not currently in Scoutbook) and Don would like him to be an assistant scoutmaster.

PLC - low attendance but high productivity

The Golden Knights are planning a 5 mile hike open to anyone who needs to complete this. The scouts want to start host patrol - every meeting will be hosted by a specific patrol which will also plan a game for the meeting they host. The scouts set up a servant master position to help with more service opportunities. Don will recruit on 2/27.

Feb - theme for the month is cooking:

2/13 - smart meal planning; appropriate meals for the weather, checking the food locker before shopping

2/27 - food safety and prep; getting food ready in a timely manner, food safety, planning a meal for the 3/5 Troop meeting

3/5 - the scouts want to make dinner for the troop meeting and do hiking merit badge requirements.

Justin -

Justin will be gone tomorrow but will be at the 3/5 meeting. No scouts have contacted him recently.
